

# Kia Tū, Kia Hīkoi Park and Stride

## Letter to car park owner

Date: \_\_\_\_\_

Tēnā koe, [add name of contact],

[Name of school] wants to reduce congestion and improve road safety at our school entrance. We want to create a safer place for our tamariki to walk or wheel to school.

We are keen to set up a Park and Stride initiative. This allows parents to park away from the school gate and walk or wheel with their children the rest of the way.

We think that [enter name and location of car park] would be an ideal place for a Park and Stride location.

Would you be happy for parents to use your car park during pick up and drop off times? This is usually between: 8.30-9am and 3-3.30pm.

We would really appreciate your support of this initiative. If you are happy for your car park to be used, please let us know. We would then share this on a map with our school community.

Please contact me to discuss this initiative or ask any questions.

Thank you for your support.

Ngā mihi nui,
