

# Ka whai hononga te katoa

## Everything is connected

### Te Whakamahere Huatau | Concept Mapping

**Can you see any connections between these words?**

**Can you show how our actions affect te taiao (our natural environment)?**

Follow these instructions, working in pairs or small groups:

1. Cut out all the words in the chart below.
2. Spread the words out and stick them onto a large blank piece of paper.
3. Draw arrows to show how these words are connected in a positive way. Use a blue pen.
4. Add some positive connecting words to name the relationship they have.

**Positive connecting words:**

- helps
- gives life to
- supports
- increases
- is fun for

5. Draw arrows to show how these words are connected in a negative way. Use a red pen.
6. Add some negative connecting words to name the relationship they have.

**Negative connecting words:**

- harms
- increases
- decreases
- causes

7. Share your map with others. Explain the connections you have made and how our actions affect te taiao in both positive and negative ways.

#### Everything is Connected

Biking	Driving	Air
Water	Humans	Animals
Soil	Sun	Plants
Pollution	Climate change	Walking
