Ngā pātai uiuinga mā hea koe haere ai – Interview Questions

Interview an older family member, a kaumātua (grandparent or great-grandparent) or a family friend to find out how they used to travel to kura (school) and what their journeys were like. How have things changed over time?

Name of person you are interviewing: _____

Their relationship to you: _____

Their age or how many years ago since they went to school: _____

Ask them the following questions and record their answers:

Where did you live when you were aged 8-12 years old?	
How did you travel to school? And from school to home?	
How far did you have to travel and how long did it take?	
What sorts of things did you see, smell, hear or do on your way to school?	
How did the weather affect how you travelled to school?	
What was good about the way you travelled to school?	
What was not good about the way you travelled to school?	
What skills did you need to keep yourself safe on your journey?	
What are your thoughts or feelings about how you travelled to school?	
Do you remember any interesting or unusual things that happened to you on the way to or from school?	
Do you have any other comments or advice for me? <i>Thank you so much for your time!</i>
