**To all Wellington Region schools with School Traffic Safety teams**

Tēnā koutou,

**School Traffic Safety Team – recognition vouchers**

We know that your school traffic safety teams (road patrollers and bus wardens) work hard all year to keep school communities safe. Over 4000 tamariki across the rohe participate, operating school crossings and keeping kids safe on buses. They are trained by NZ Police school community officers and serve their community in one of the longest standing road safety traditions in Aotearoa.

Together with your local council and NZ Police, we want to acknowledge the hard work your students do and the valuable contribution this makes to creating a safe journey to school for their peers. While this may look a little different this year, we hope that your students know how much we appreciate their hard work, and the big responsibility they take on each morning and afternoon.

Enclosed you will find:

- One certificate of recognition including vouchers from our sponsors – please print one only per student
- A PDF with four vouchers for Zealandia – these are limited to 500 across the region. If you would like to print and hand out more, please contact us so we don't hand out too many!
- A copy of the Rules for these vouchers, which you can also find here: [kurakete.gw.govt.nz/TandCs/](https://kurakete.gw.govt.nz/TandCs/)

**We are very grateful to the following sponsors, without whom this wouldn't be possible:**

Please contact us, your NZ Police School Community Officer, or your [local council](#) school Road Safety or Sustainable Transport coordinator, if you have any questions.

Ngā manaakitanga,

**Hilleke Townsend**

Team leader – schools and community
